### COVID – 19 VACCINES NOW AVAILABLE FOR CHILDREN 6 MONTHS – 4 YEARS OF AGE

The Ministry of Health and Human Services is pleased to inform the public that parents and guardians can now get their children 6 months and above vaccinated to better protect them from COVID – 19. These vaccines have been authorized by the US FDA and WHO, and deemed safe for our children.

Vaccination is ongoing at the Palau Community Health College (PCC) Cafeteria every Wednesdays, Thursdays, and Fridays, from 4pm – 6pm, except for holidays or as indicated on the schedule. A monthly schedule is published through various local media outlets including the radio stations, MHHS Facebook page and website.

If you have any questions or concerns, you may contact the MHHS Chief Pharmacist Clarette Matlab at 775-1760 or consult with one of our pediatricians.

For all other COVID-related questions, call the MHHS Hotline at 488-0555.

Thank you.
