

FUNDING OPPORTUNITY

FY 2024 NCD FUNDS FOR HEALTHY COMMUNITIES.

Any government or chartered community organization may submit a proposal to the National Coordinating Mechanism for NCDs (NCM) for review, approval and funding. Projects must be aligned with Palau NCD Plan¹, focusing on NCD prevention and health promotion, and other requirements outlined on the Healthy Communities, Health Palau Initiative.²

Each organization may only have one application and may apply up to \$25,000. Applications may be picked up starting on August 1, 2023 at the Prevention Unit (VIP Building, 488-8118) and the NCD Unit (PCC Lower Campus, Keskas Building, 488-4773).

Applications are due no later than September 15, 2023.
Applicants will be notified of award status by October 6, 2023.

Sign up for technical assistance when you pick up applications. Workshops will be on August 22, 24, 29 and 31 at the Public Health Conference Room in Meyuns, 8:30am to 11:30am. These workshops will also be offered virtually during these times.
